STOP, WOMAN!

AND CONSIDER
THE ALL-
IMPORTANT FACT

That in address-

ing Mrs. Pink-

ham you are con-

firming your private

ills to a woman—

a woman whose expe-

rience with women's dis-

eases covers a great

many years.

Mrs. Pinkham is the

daughter-in-law of

Lydia E. Pinkham,

and for many years

under her direction,

and since her de-

cease, she has been

advising sick women

free of charge.

Many women

suffer in silence and drift along from

bad to worse, knowing full well that

they ought to have immediate assist-

ance, but a natural modesty impels

them to shrink from exposing them-

selves to the questions and probable

examinations of even their family

physician. It is unnecessary. Without

money or price you can consult a woman

whose knowledge from actual ex-

perience is great.

Mrs. Pinkham's Standing Invitation.

Women suffering from any form of

female weakness are invited to promp-

tly communicate with Mrs. Pinkham, at

Lydia E. Pinkham, at Lynn, Mass.

All letters are received,

opened, read and answered by women

only. A woman can freely talk of her

private illness to a woman; thus has

been established the eternal confidence

between Mrs. Pinkham and the women

of America, which has never been

broken. Out of the vast volume of

experience which she has to draw from,

it is more than possible that she has

gained the very knowledge that will

help your case. She asks nothing in

return except your good-will, and her

advice has relieved thousands. Surely

any woman, rich or poor, is very foolish

if she does not take advantage of this

generous offer of assistance.

If you are ill, don't hesitate to get a

bottle of Lydia E. Pinkham's Vegetable

Compound at once, and write Mrs. Pink-

ham, Lynn, Mass., for special advice.

When a medicine has been successful

in restoring to health so many women,

you cannot well say, without trying it,

"I do not believe it will help me."

A Young Mother at 70.

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until six months ago, when she began taking Electric Bitters, which completely cured her and restored the vigor of her system."

"I am a young mother, and I have been suffering from dyspepsia for many years. I have tried many remedies, but nothing has done me any good until I began taking Electric Bitters. It has completely cured me and restored my health. I am now a young mother again."

RUSSIA QUIET
YESTERDAY

No Disorder on Anniversary
of Constitution

SPECIAL PRECAUTIONS

Were Taken in St. Petersburg — Civil
Marriage Established by Ukase —
Eight of Robbers Who Stole
\$168,826 Are Executed.

St. Petersburg, Oct. 31.—Yesterday the first anniversary of the proclamation of the imperial manifesto giving a constitution to Russia passed in St. Petersburg without any disorder being reported. The Dumas were celebrated in the cathedral and churches, and only small crowds were to be seen in the flag-decorated streets, many of the residents deciding to stay indoors, owing to fear of disorder. Students in uniform were conspicuously absent as the result of a warning issued at the meeting held in the university Monday that lands of reactionary rowdies, in student garb, had been formed to beat pedestrians. Large forces of troops were concentrated in the vicinity of the Kazan cathedral, and in the neighborhood of the university. But the military were kept invisible, so far as possible, in the interior of courts and in buildings. Special guards were stationed at all railway stations. There was a conflict Monday night between a detachment of troops and a large crowd which had gathered at a fire in the industrial district of Schlusselburg. Some rowdies cut the fire hose, drove the firemen away and began plundering, whereupon the soldiers fired a volley in the air and dispersed the crowd without any casualties. Otherwise the night passed quietly.

Eight Robbers Executed Yesterday.

Eight persons arrested here in connection with the robbery of \$168,826 from Cashier Hegmann, of the custom house, Oct. 27, have been tried by court-martial and were executed yesterday.

The Lady Macbeths will hold a public whist party in Foresters' hall, Worthen block, Wednesday evening, October 31. Doors open at 7:30. Refreshments will be served.

ARRESTS WIFE.

Seattle Man Tries to Compel Spouse to Live With Him Again.

San Francisco, Cal., Oct. 31.—Joseph Warner, a Seattle capitalist, had his wife arrested Saturday on a charge of insanity because she refused to live with him. He went to the Central Emergency hospital, where she was confined, and attempted to effect a reconciliation Monday, but Mrs. Warner refused to receive him, intimating that he preferred to remain in the padded cell in which she is confined and if necessary endure the company of the insane rather than return to him. Warner, in hopes that his wife would relent, arranged that she should have special accommodations. He stated that he would withdraw the commitment if she would leave her confinement and join him and that he would also give her \$25,000, but Mrs. Warner's only reply was that she despised him and would never live with him again. Mrs. Warner, who was discharged yesterday by the lunacy commission, refused to talk
